Frame American history through personal and collective journeys

The American Journey: A History of the United States traces the journeys – geographical, ideological, political, and social – that make up the American experience. Harnessing the stories of individuals from different eras, the authors present a strong, clear narrative that makes American history accessible to students. Offering a blend of political and social histories, the **Eighth Edition** continues to show that our attempt to live up to our American ideals is an ongoing journey – one that has become increasingly more inclusive of different groups and ideas.
