Thy Kingdom Come: The Next Generation Part II Dr. Michelle A. Morrison Ph.D.

In this training manual for youth, the author, a NY licensed attorney-at-law and pastor, provides valuable material to teach the next generation about America's Christian heritage. Part II can be taught from 6th grade through high school. We live in a time where atheists have successfully stripped our culture of many religious laws and emblems. It is time to teach the youth about where we came from and where we are going. Where "are" we going as a nation? The author makes it plain that only corporate intercessory prayer can change things for America and the world during this time of national crises.
