Freaking Idiots Guide To Selling On eBay: How anyone can make \$100 or more everyday selling on eBay (Freaking Idiots Guides) Nick Vulich

Have you always wanted to sell on eBay, but weren't sure how to get started?

My name is Nick Vulich, and I've been making my living selling on eBay for the last fourteen years. I do this by selling historical collectibles to ready buyers all over the world, and I want to show you how you can tap into eBay's customer base to start your own business.

By following my **simple step-by-step process** you can become a successful eBay seller in less than seven days.

It was crazy, but people were gobbling up my eBay listings. **After two years of trial and error, I discovered the real secret to making money on eBay...** I ran _____ auctions every week, and that got people started selling in my eBay store where they oftentimes spent _____ or more.

It was totally insane, but I stumbled upon one of those ah-ha moments that made **eBay selling profitable** for me.

Now a lot of things have changed on eBay since I got started selling there all of those years ago, but one thing has remained the same - eBay is loaded with people ready to spend their money. You just need to discover the right product that will work for you.

First, let me tell you what this book is:

- It's a beginners guide to getting started on eBay.
- It's going to help you get signed up on eBay and PayPal (so you can get paid fast).
- It's going to get you over the rough spots and help you find those first few items to sell.
