Fuel and Guts: The Birth of Top Fuel Drag Racing Tom Madigan

This is the story of how Top Fuel drag racing started, told by those who lived it. An insider from the beginning, author Tom Madigan draws on interviews with builders and racers like Mickey Thompson, Tony Nancy, Tommy Ivo, and Tom McEwen, to name just a few. Their words, and those of others such as engine builder Ed Pink and chassis builder Kent Fuller, give readers a real sense of a lost, and truly thrilling, world.

This is Top Fuel drag racing of California in the 50s and 60s, and these are the racers who made its name. Fuel and Guts recreates a time of passion and pure adrenaline--a time before accountants and corporations saw a winner in drag racing. In sidebars, drivers like Don Garlits and Shirley Muldowney tell what it was like to leave home and try to make it on the Californians home turf. You werent really a winner until you beat the guys who started it all. And in this book, readers meet these winners and feel once more an excitement now gone forever.

This is one publication that can break don't evaluate book by its cover, so do you still needing an additional sixth sense to pick this specific!/? Oh come on your examining sixth sense already alerted you so why you have to listening to a different sixth sense.

Brenda Carey:

As a student exactly feel bored to reading. If their teacher asked them to go to the library or even make summary for some book, they are complained. Just tiny students that has reading's heart or real their leisure activity. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading significantly. Any students feel that studying is not important, boring as well as can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Fuel and Guts: The Birth of Top Fuel Drag Racing can make you truly feel more interested to

read.
