Paint and Paper: A Masterclass in Color and Light David Oliver

Paint is usually the cheapest element of any design scheme, but the easiest to get wrong. Whether you are painting one room or a whole house, "Paint & Paper" will help you find your starting point. David's approach is simple, straightforward and timeless - he shows us how to make the leap from a tiny swatch to a large area. He is a master of colour and light and in this, his first book, he shows us what works and why demonstrating how colour has much to do with light as pigments and how neither is constant. Full of practical ideas, inspiration, planning and application advice and colour combinations, this is a masterclass in paint, paper and light.
