## **Pastor on Track: Reclaiming Our True Role** Emmanuel III Cleaver

So often pastors are defined by external forces, rather than by the essential nature of the pastoral leader as modeled in scripture. Taking positive steps to 'put pastors on track,' author Emanuel Cleaver III draws on his own experiences and from dynamic and effective pastors and churches across the country. He presents biblical models to distill his message and to recalibrate the definition of what makes the best church leaders. Pastor on Track helps clergy re-frame their congregation's expectations and empowers them to do the work of the people, so the pastor can do the work of the pastor.
