## **The Opium Emporium 2: Sanctum (The Bordello Tales) (Volume 1)** Casanova Da Vinci

Borello is falling. Unknown influences have initiated what the Local Overseers call “Protocol 15”; the introduction of Regal Command and Deployment, including Enforcer’s and The King’s Elite Guard. It was the one Protocol that nobody, not even Evermore’s High Guard thought would ever happen. Between the Sanctions and influx of Enforcer’s, one man in particular becomes hell bent on ridding Borello of its high intake of Vigilante’s, especially one: The Borello Hood – Lord Lucas Aidan Cavendish; Lord and favored future Overseer of Evermore Town by day, deadly trained Assassin who fights for the people of Borello by night. Running with Lucas – The Borello Hood – are Lady Elizabeth Spinks –aka Deadly Night Shade, Danielle La Grande –aka Midnight Blaze, and Lord Michael Slattery-Gruber –aka The Grey Shadow, the group of Vigilante’s tagged by the people as being “The Bordello 3”. Their only cause in an embittered war between Evermore Town, to bring peace and prosperity to a town long left in the wake of Draconian rule and persecution. The 12 Houses of the world are spiraling into chaos; London’s hold of politicians have split “The House Of Cards”, while in other, more sanctified placements “The Knight’s Castle” is at war with its global Order’s. This for Lucas and Michael is what the Nobles believe to be called “The Calling”; a method that was used to bring the Houses and Royals of the world together during the 1165 B.C defeat of Vorelee – one of the very first Gods to walk the Earth. The only hope for the two towns to reach peace comes in the shape of “The Harpsen”: He who holds The Harpsen, controls The Four Corners – He who controls The Four Corners, then controls the World. For Lord Lucas, his fate has already been predicted and told. But for his friends, only a true miracle will bring them ever closer to peace...
