From her unique insider's perspective—as someone familiar with this world and the next—America's leading psychic tells us what to expect and how to prepare.

Religious wars, global terrorism, genocide, ecological disaster: Today's world is a scary place. The Information Age has carried us into the Age of Anxiety, where everyone is on edge, wondering what is coming next. What will happen in 2012, when the Mayan calendar predicts the end of the world? What will the next 50 years bring? The next 100 years? If the world really is going to end, what then?

If anyone knows, it is Sylvia Browne. A psychic since age three, when her powers were first revealed, she stays in close touch with her spirit guide, enabling her to answer our most pressing questions about today, tomorrow . . . and the end of days.
