Heaven Sent (My Soul To Keep V3) Vanessa Miller

Leah Davison has made some serious mistakes with her family and with the men she dates, but she refuses to give up as she sets out to put her life back together after suffering abuse from a man she dated. Her new job isn't exciting but it nets one major positive: she reconnects with Cory Parker, an old friend. But almost simultaneously, her abuser also tries to reconnect; with disastrous results, not only for Leah, but for everyone she loves. Cory Parker can't afford any distractions. He's staking his entire career on an IPO that must go off without any glitches...but he can't stop thinking about Leah and the fear he saw in her eyes. He'd give up everything in order to protect her; he'd walk through fire for the chance to love her. During the most horrific time of her life, all Leah wanted to do was get away, but in the midst of the turmoil, and with help from a praying family and God's warriors, Leah finds her way back to love.
