Forty Fun Fables: Tales that Trick, Tickle and Teach

Animals don't talk but they appear in fables to tell us about our very human selves. This classic collection of whimsical stories is told simply with wit that appeals to children of all ages. Whimsical stories from this collection include Aesop Fables such as "The Sick Lion and the Sly Fox" and "The Rabbits and the Frog" along with unique adaptations of stories from a wide spread of cultures such as "The Fussy Mouse" and "How Momma Mouse Confused the Cat." At the end of each fable, the authors offer "The Moral of the Story" to help guide student interpretation. They also noted that their goals for the book were to make sure that the stories could be easily integrated into lesson plans by teachers, meanwhile simplifying the stories to make them fun for students to read aloud in class and to retell in their own words. In reading these tales, the lessons of many cultures are passed along and wisdom is shared. Young readers will be highly engaged and entertained by the fools, tricksters, and clever characters who appear in these timeless stories.
