It Started with a Dare Lindsay Faith Rech

Self-proclaimed nobody CG Silverman sees her move to an upscale new school as her chance to be somebody different. Her devil-may-care attitude attracts the in-clique, and before CG realizes it, a routine game of truth or dare launches her to iconic status. While this rebel image helps secure CG's newfound popularity, it also propels her through a maze of unprecedented chaos, with each new lie and every dare opening doors that, in most cases, were better off left shut. CG is on a collision course with disaster. Will she be able to keep up the façade? Or will the whole world find out she's a fraud?
