Learning from the Field: A Guide from Experience

William Foote Whyte

Learning from the Field: A Guide from Experience William Foote Whyte

In this volume Professor Whyte compiles information gathered from his vast experience in field research. The book provides invaluable information for the student - it covers a broad range of research, with many examples to illustrate findings. The author shows not only how to gather data, but how, and why, relevant data should be selected and gives a realistic picture of problems encountered by the field researcher.
