Revelation: Awakening the Christ Within Gary W. Hudson

Gary Hudson gives the reader an alternative view of the apocalypse in his interpretation of the Book of Revelation as the Christian book of death and rebirth. He provides profound insight into the spiritual practices used by the original Christians in their struggle to live in God's Presence. In this ground breaking work Saint John's enigmatic vision is revealed to be the lost Christian teaching on awakening to the Christ within. This interpretation replaces the visions of apocalyptic fear and suffering with a path of joyous spiritual transformation in Christ. The text is illustrated with original and classic apocalyptic art.
