## Screw the Recruiter Mark Teller

Mark Teller was living on welfare in January of 2006. He had worked for himself all of his life. He had never even *written* a resume. Eighteen months later he cashed **\$8,100 in a single week**, mostly from Fortune 500 companies. Teller created an imaginary job history, invented skills, and talked his way into top-paying jobs that others might only dream about. His courage, optimism and dark humor provide a compelling tale of how to succeed in corporate America when the odds are stacked against you.

## Amazing True Story

Learn to:

- Find things you're good at and turn them into "expertise"
- Create a resume from little or no job history, and sail it past the recruiter
- Wow interviewers and get hired
- Beware of the warning signs of malicious recruiters and their bag of tricks
- Avoid runaway jobs that never materialize
- Get the best money for your time, even while everyone is trying to gang-bang you
- Turn a two-week assignment into \$75,000 in easy cash
- "Stack" three jobs without suffering a stroke or heart attack (at least temporarily)
- Get along with your bureaucratic "cubie" mates (Mr. Teller speaks from failure)
- Avenge yourself upon the recruiter and their idiot clients if they mistreat you
- Be at peace with yourself for the stuff you had to do to get by (this is a work in progress)

If you ever applied for work and then:

- Never heard back
- Were told that you were not qualified, even though you thought you were a shoo-in
- Took the phone interview and then got turned down
- Interviewed in person and did not get hired
- Were told you would be hired but never got the job

**...this book will help you understand what went wrong.** You may have failed to get past the recruiter, the idiot gatekeeper who stands in your way, defying your worst expectations with their laziness, stupidity and flat-out greed.

Teller finds out the hard way and also shares in how to beat the indifference that prevents you from getting the job you deserve. Join him on a rocket-booster ride from welfare to \$8,100 per week in a year and a half.
