The EURUSD Strategy Builder is a unique tool kit for Foreign Exchange Traders when developing, implementing and managing their EURUSD trading strategies. Throughout the e-book version you can read all about the recommendations I have for risk management procedures, leverage, how to set invalidation levels, entry and take profit levels for your EURUSD trading strategies. The manual also sets focus on those economical and political factors that will influence EURUSD throughout 2013 as well as a time line for when they are likely to occur. Based on those indicators I set out 4 strategies I recommend for 2013 as seen at the start of the year. But the great advantage and the important part of the manual is the supplementary tool kits you get, enabling you to build, implement and manage your own EURUSD trading strategies. Those elements are in the form of the original file for the e-book, spreadsheets and graphs which you will get complementary to your purchase of the e-book by emailing: coachingfxpros@gmail.com. In addition you will also receive the latest updated strategies. The EURUSD Strategy Builder is the first in a series of three trading manuals from Coaching FX Traders. The second manual called "Trading EURUSD event risk" is available for sale for the price of 59 \$ while the third manual: "The FX Mentor" will be launched shortly at the price of 39 \$.
