One Night Only: Conversations with the NHL's One-Game Wonders Ken Reid

Get to know the men who fulfilled their childhood dream

From the beer league to the minor league, hockey players from coast to coast often say they'd give anything to play just one game in the NHL. *One Night Only* brings you the stories of 39 men who lived the dream — only to see it fade away almost as quickly as it arrived. Ken Reid talks to players who had one game, and one game only, in the National Hockey League — including the most famous single-gamer of them all: the coach himself, Don Cherry.

Was it a dream come true or was it heartbreak? What did they learn from their hockey journey and how does it define them today? From the satisfied to the bitter, Ken Reid unearths the stories from hockey's equivalent to one-hit wonders in the follow-up to his bestselling *Hockey Card Stories*.

From reader reviews:

James Matter:

Nowadays reading books are more than want or need but also work as a life style. This reading behavior give you lot of advantages. Associate programs you got of course the knowledge the particular information inside the book in which improve your knowledge and information. The information you get based on what kind of reserve you read, if you want have more knowledge just go with knowledge books but if you want experience happy read one with theme for entertaining such as comic or novel. Typically the One Night Only: Conversations with the NHL's One-Game Wonders is kind of reserve which is giving the reader unstable experience.

Martha Lockridge:

Reading a reserve tends to be new life style on this era globalization. With looking at you can get a lot of information that may give you benefit in your life. With book everyone in this world can easily share their idea. Textbooks can also inspire a lot of people. Lots of author can inspire their reader with their story or maybe their experience. Not only situation that share in the publications. But also they write about the ability about something that you need example of this. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that exist now. The authors on this planet always try to improve their expertise in writing, they also doing some analysis before they write on their book. One of them is this One Night Only: Conversations with the NHL's One-Game Wonders.

Buddy Beckstead:

Reading can called imagination hangout, why? Because while you are reading a book particularly book entitled One Night Only: Conversations with the NHL's One-Game Wonders your head will drift away trough every dimension, wandering in every aspect that maybe not known for but surely might be your mind friends. Imaging each word written in a book then become one web form conclusion and explanation that maybe you never get previous to. The One Night Only: Conversations with the NHL's One-Game Wonders giving you an additional experience more than blown away your brain but also giving you useful information for your better life in this particular era. So now let us present to you the relaxing pattern at this point is your body and mind will be pleased when you are finished examining it, like winning a. Do you want to try this extraordinary spending spare time activity?

Georgia Yorke:

As a student exactly feel bored in order to reading. If their teacher inquired them to go to the library or make summary for some book, they are complained. Just little students that has reading's spirit or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that reading through is not important, boring and also can't see colorful pics on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we

know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this One Night Only: Conversations with the NHL's One-Game Wonders can make you really feel more interested to read.
