## **The Art of Getting Over** Stephen Powers

What started as simple street movement, a way to assert individuality and pride, has blossomed into much more: Graffiti is everywhere. From Sprite commercials to *The Source* magazine to Soho art galleries, the elements and vernacular of the graffiti aesthetic are apparent in today's society. This book examines graffiti's influence from its earliest days to its undeniable ubiquity now. Written by an insider, it includes a general history, in-depth interviews with both the progenitors of the form and current artists, and full-color illustrations of the most important works over the last 30 years. Unlike other subcultures that have been corrupted by the media and the mainstream, graffiti has maintained its sense of the underground and its clandestine feel. The purity and integrity that have defined the graffiti writer's mission have never faltered. *The Art of Getting Over* offers an unprecedented glimpse into this deeply affecting urban art form.

#### **Judith Judd:**

As a scholar exactly feel bored to help reading. If their teacher requested them to go to the library or make summary for some publication, they are complained. Just little students that has reading's internal or real their pastime. They just do what the professor want, like asked to go to the library. They go to there but nothing reading really. Any students feel that reading through is not important, boring and also can't see colorful images on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this The Art of Getting Over can make you sense more interested to read.
