The History of Venezuela (Palgrave Essential Histories)

H. Micheal Tarver, Julia C. Frederick

The History of Venezuela (Palgrave Essential Histories) H. Micheal Tarver, Julia C. Frederick

With an upcoming election, Chávez's involvement with U.S. oil exports, and the country becoming a leader of an increasingly united South America, this volume provides necessary background information to understand how Venezuela became what it is today.

The history begins with Columbus's third voyage of discovery from Spain. Spanish explorers named the land "Little Venice" for the native homes built on stilts at the water's edge. Tracing the nation's 300 years as a Spanish colony through a brief unification followed by civil war, Tarver brings Venezuela's dramatic history to life. Highlighting events including the discovery of oil in the 1900s and the establishment of democratic government in 1958, Tarver offers a comprehensive chronicle that contextualizes the current unrest under the leadership of Hugo Chávez.

From reader reviews:

Susan Metcalf:

What do you ponder on book? It is just for students since they're still students or the item for all people in the world, the actual best subject for that? Merely you can be answered for that question above. Every person has different personality and hobby for every single other. Don't to be compelled someone or something that they don't want do that. You must know how great and important the book The History of Venezuela (Palgrave Essential Histories). All type of book can you see on many options. You can look for the internet solutions or other social media.

Laura Thompson:

Playing with family in the park, coming to see the sea world or hanging out with friends is thing that usually you have done when you have spare time, and then why you don't try issue that really opposite from that. A single activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of information. Even you love The History of Venezuela (Palgrave Essential Histories), you could enjoy both. It is excellent combination right, you still want to miss it? What kind of hang-out type is it? Oh can occur its mind hangout guys. What? Still don't buy it, oh come on its identified as reading friends.

Kathryn Richardson:

Reading a book to be new life style in this year; every people loves to study a book. When you examine a book you can get a lot of benefit. When you read guides, you can improve your knowledge, mainly because book has a lot of information in it. The information that you will get depend on what types of book that you have read. In order to get information about your review, you can read education books, but if you act like you want to entertain yourself you are able to a fiction books, this sort of us novel, comics, and also soon. The The History of Venezuela (Palgrave Essential Histories) provide you with a new experience in reading through a book.

Samantha Graham:

Many people spending their period by playing outside with friends, fun activity using family or just watching TV all day every day. You can have new activity to enjoy your whole day by reading through a book. Ugh, ya think reading a book can really hard because you have to accept the book everywhere? It alright you can have the e-book, getting everywhere you want in your Smartphone. Like The History of Venezuela (Palgrave Essential Histories) which is keeping the e-book version. So , why not try out this book? Let's notice.
