Challenging Diversity: Rethinking Equality and the Value of Difference (Cambridge Cultural Social Studies) Davina Cooper

Davina Cooper addresses major questions currently facing political and social theory, particularly in relation to debates about diversity. These questions concern how we identify the boundaries of legitimate forms of difference, and understand equality and inequality as well as the challenges of sustaining differing progressive practices. Cooper links theoretical discussion to specific conflicts over social and cultural issues, such as religious symbolism, lesbian and gay marriage and cigarette smoking.
