Haint Blue: The Rockford Haunting - Part One (Volume 1) Jenny Scott, Kim Johnston

A terrifying true story. HAIN'T BLUE: The Rockford Haunting is the journey of a family through the grips of a paranormal entity. Hunter and Jenny Scott rented a country home near Rockford, AL in the winter of 2012. What began as a dream ended up a nightmare. Hunter, Jenny and their three children experienced strange noises, shadow people and being physically attacked by a paranormal entity. Within months, a story began to emerge....a story so strange and intriguing, it nearly ended up in a true crime novel by the one and only, Harper Lee. Kim Johnston and her paranormal research team, SCARe of Alabama, conducted an investigation at the home, and discovered more than anyone ever imagined. After over a year of research, a link was found between the location of the house and a series of deaths that occurred in the Rockford area in the 1970's. Could this link explain the strange paranormal activity the members of the Scott family experienced?
