The Elegant World of Regina Relang is just that, an enchanting volume of pictures presenting a whirlwind tour through the entrancing world of *haute couture* that the late German photographer recorded throughout the mid-twentieth century. 160 of the best original images from Relang's estate follow the lady shutterbug's eye as she worked the Paris fashion shows, from her first days at *Vogue* in 1938 through to her rise as one of the leading fashion photographers of the 1950s and 1960s. Her spectacular images of the most forward, fashionable styles were featured twice a year in all of the major German fashion journals, for whom she represented the essence of the catwalk-shooting genre. This handsomely illustrated volume reproduces fine vintage prints from Relang's early reportage career and from the height of her days as a documenter of style, while also providing valuable insight into the historical background of her work. *The Elegant World of Regina Relang* chronicles the changing fashions of Christian Dior, Pierre Cardin and Yves Saint-Laurent, among other arbiters of *la mode*, while also tracing the transformation of the image of woman through the mid-twentieth century.
