The Death of Jesus in Early Christianity

John T. Carroll, Joel B. Green

The Death of Jesus in Early Christianity John T. Carroll, Joel B. Green

The centrality of the death of Jesus for the Christian faith can hardly be overstated, and interest in the subject is "red hot." As each generation of Christians comes to terms with its historical claims, and its theological import, it is only natural that its implications merit reexamination. Taking a studied look at the death of Jesus from the Old Testament's perspective to that of the Gospels and Hebrews to that of extracanonical accounts Carroll and Green put us in their debt for their comprehensive survey of the effects and implications of a central tenet of Christianity.
