Though Not Dead Dana Stabenow

*Kate Shugak will go to the ends of the earth to solve one Alaskan family's epic mystery in this breathtaking novel from New York Times bestselling author **Dana Stabenow***

The residents of Alaska's largest national park are still stunned by the death of one of its lifelong residents: Eighty-seven-year-old Old Sam Dementieff. Dubbed the "father" of all of the Park rats?although he had no children of his own?Sam was especially close to his niece, P. I. Kate Shugak. Even so, she more than anyone is surprised to discover that in his will he's left her everything?including a letter instructing her simply to "find my father."

Easier said than done. Sam's father scandalously disappeared after his birth, taking with him a priceless tribal artifact, a Russian icon. Now, just three days into her investigation, Kate finds herself being threatened?and worse. The flashbacks from Sam's fascinating life, including scenes from major events in Alaska's colorful history, punctuate a gripping story in which Kate does her best to fulfill Sam's last wish. Meanwhile, an unknown enemy is on her trail...and will stop at nothing to make sure that the truth about Sam's father stays buried.

Johnnie Colby:

In this age globalization it is important to someone to get information. The information will make a professional understand the condition of the world. The condition of the world makes the information much easier to share. You can find a lot of references to get information example: internet, newspaper, book, and soon. You can see that now, a lot of publisher this print many kinds of book. The book that recommended to you personally is *Though Not Dead* this guide consist a lot of the information with the condition of this world now. That book was represented just how can the world has grown up. The words styles that writer make usage of to explain it is easy to understand. Often the writer made some investigation when he makes this book. Here is why this book acceptable all of you.

Amy Arwood:

As a pupil exactly feel bored in order to reading. If their teacher questioned them to go to the library or to make summary for some e-book, they are complained. Just little students that has reading's soul or real their passion. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that looking at is not important, boring and also can't see colorful photos on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this *Though Not Dead* can make you feel more interested to read.
