Ashes to Ashes Jennifer Armintrout

Being a vampire is a life-or-death situation. When I was first turned, I had only my survival to worry about. Now I'm locked in a battle for the existence of the entire human race—and the cards are definitely stacked against me.

The Voluntary Vampire Extinction Movement headquarters are destroyed, and their pet horror, the Oracle, is on the loose. She'll stop at nothing to turn the world into a vampire's paradise, even if it means helping the Soul Eater become a god and harnessing his power for her own evil ends.

An ancient vampire, a blood-sucking near deity and oh, yeah, my presently human former sire thrown into the mix. I say bring it on. May the best monster win.
