Good Day!: The Paul Harvey Story Paul Batura

Good Day!, the critically-acclaimed biography about the legendary Paul Harvey, is now in paperback! In this heartwarming book, author Paul J. Batura tells the all-American story of one of the best-known radio voices in history. From his humble beginnings to his unparalleled career of more than 50 years with ABC radio, Paul Harvey narrated America's story day by day, through wars and peace, through the threat of communism and the crumbling of old colonial powers, through consumer booms and eventual busts. In *Good Day!*, you'll follow,

- * How he became "Paul Harvey"
- * The remarkable adversity he confronted in his early years
- * How he revolutionized the radio industry with his wife, Evelyn
- * How a president wanted to "roast" him "good"
- * How he was nearly jailed for pursuing a scoop

Uplifting and inspirational, *Good Day!* is a colorful biography of the radio pioneer-turned-legend whose guiding light saw the country through dark times. Whether he was covering racial tensions, terrorist attacks, or which vitamins to take, Paul Harvey articulated the American experience for average people making their way in a world too large for quick comprehension. Harvey brought them that world "in dime store words," with a sense of optimism and faith, and with a deep love for America. Here is Harvey's story, the rest of the story, as he would tell it himself.
