Grandmother's Gift of Memories Danita Rountree Green

Grandmother's Gift of Memories is a treasure all families will cherish. A durable and elegant keepsake to record family facts and history, it is beautifully illustrated to evoke the rich tradition of quilt-making. It is designed to be filled by the grandmother for the baby with love, warmth, and humor. It begins with the roots of the family tree, with pages devoted to grandmother's memories of her parents and other family members she knew or learned about through family folklore. There is plenty of room for grandmother to write down her own personal story--from fondly remembered childhood occasions and events to the books, records, and activities she enjoyed as a teenager, to her hopes and dreams as a young woman starting a family and career. Her feelings about who she is right now will fill the pages of "Just Between You and Me." And the newest members of the family will enjoy reminiscences about the joy their own births brought to their grandmother's heart.
