Keepin' It Real: A Young Teen Talks With God Sandra McLeod Humphrey

Anyone who is (or who ever has been) 13 will identify with Leslie's struggles to make sense of her family, her faith, her own thoughts, and the world. Through her letters to God, Leslie deals with questions as big as the very nature of God and as small as why Mom gets so bent out of shape about how the bathroom towels are folded. Sandra Humphrey has done a beautiful job of not only creating a very believable character, but more importantly, of showing young readers how inextricably faith is linked to the issues of everyday life.

Lynn Gilliam

Associate Editor, *Pockets*

Leslie has just turned 13 -- and she is having a very bad year. Not only is she stuck in a new school where she doesn't know anyone, but she's also stuck in a life group at her church where the leader of her small discussion group asks tough questions that she can't answer. Come along and join Leslie on her faith journey as she writes letters to God, and in the process begins to discover answers to some of her problems.

***Keepin' It Real** is sassy and sensitive. It's an honest look at a young girl's struggles -- and insights -- as she faces puberty and searches for faith.*

Mary Lou Carney

Editor-in-chief, *Guideposts for Teens*

Warm, witty, and real, these true-to-life prayers offer delightful windows into the heart of God and every girl who prays to him.

Lois Walfrid Johnson

Author, *The Disappearing Stranger* and the *Adventures of the Northwoods* series

***Keepin' It Real** will help young people all over the world love themselves and God -- and have light and hope in this wild, confusing world.*

Troy and Genie Nilsson

Christian Songwriters

Sandra Humphrey takes on all the trials of teenagehood -- pimples, dates, gym class, even parents contemplating divorce -- and gives her readers an idea of just where to turn for help.

Rick Hamlin

Managing Editor, *Guideposts*
