Tilli's Story: My Thoughts Are Free Lorna Collier

"Bang! Crash! It's the middle of the night and bombs are exploding, closer than ever before. My mother lies in bed beside me, frozen as I am frozen. We have no bomb shelter, no basement, nowhere to hide. I start to pray: 'I am sweet and pure and my heart belongs to Jesus alone.' I hope that Jesus, somewhere, is listening."

Tilli Horn is a little girl in a tiny farming village in eastern Germany when World War II begins. She grows up with Nazi propaganda, secret police, bombings. After the war, Russians occupy Tilli's village, raping and looting, forcing Tilli and other girls into months of hiding in a dark attic crawlspace. Stalin's harsh Communist rule fuels even further Tilli's thirst for freedom, leading to her thrilling solo escape.

Tilli's Story is an inspiring memoir of a child's life under two dictators and a moving testament to the power of freedom.

From reader reviews:

Irving Gaston:

Book is definitely written, printed, or created for everything. You can know everything you want by a guide. Book has a different type. As it is known to us that book is important matter to bring us around the world. Next to that you can your reading ability was fluently. A guide Tilli's Story: My Thoughts Are Free will make you to become smarter. You can feel far more confidence if you can know about almost everything. But some of you think which open or reading a new book make you bored. It is far from make you fun. Why they are often thought like that? Have you looking for best book or ideal book with you?

Leroy Torres:

Nowadays reading books be than want or need but also turn into a life style. This reading addiction give you lot of advantages. The benefits you got of course the knowledge the actual information inside the book which improve your knowledge and information. The data you get based on what kind of guide you read, if you want drive more knowledge just go with education and learning books but if you want sense happy read one along with theme for entertaining for instance comic or novel. Typically the Tilli's Story: My Thoughts Are Free is kind of e-book which is giving the reader unstable experience.

Allen Reilley:

Reading a guide tends to be new life style in this particular era globalization. With looking at you can get a lot of information that will give you benefit in your life. With book everyone in this world can certainly share their idea. Textbooks can also inspire a lot of people. Plenty of author can inspire their reader with their story or perhaps their experience. Not only the story that share in the publications. But also they write about the data about something that you need case in point. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that you can get now. The authors on earth always try to improve their talent in writing, they also doing some investigation before they write to their book. One of them is this Tilli's Story: My Thoughts Are Free.

Ed Abraham:

What is your hobby? Have you heard that question when you got college students? We believe that that problem was given by teacher to the students. Many kinds of hobby, Everybody has different hobby. And you also know that little person similar to reading or as studying become their hobby. You need to understand that reading is very important and also book as to be the matter. Book is important thing to provide you knowledge, except your teacher or lecturer. You see good news or update in relation to something by book. A substantial number of sorts of books that can you choose to adopt be your object. One of them is actually Tilli's Story: My Thoughts Are Free.
