**Gentle peer-to-peer counsel from the heart of Robin McGraw.**

Whether dealing with our faith, our family, or our friendships, we create the life we long for through the integrity of our choices. In the beautiful gift book, *From My Heart to Yours*, Robin McGraw shares from her heart, with simple but powerful doses of “life lessons” that will encourage and inspire women from all walks of life. “We are defined not by the station in life into which we are born, nor by our pedigree, but by the choices we make. And it is through the integrity of our choices that we create the life we long for.”

Robin’s peer-to-peer advice, presented in beautiful four-color imagery, will help women embrace their feminine selves, to accept nothing less than being their best (no matter what they do), and to proactively choose how they will live rather than take life as it comes along.
