**Gork, the Teenage Dragon: A novel** Gabe Hudson

**Fans of Harry Potter and *Hitchhiker's Guide to the Galaxy* will relish this teenage dragon's spellbinding love story filled with bighearted humor and imagination.**

**"*Gork, the Teenage Dragon* combines so many things I count on in fiction I love." —Dave Eggers**

Gork isn't like the other dragons at WarWings Military Academy. He has a gigantic heart, two-inch horns, and an occasional problem with fainting. His nickname is Weak Sauce and his Will to Power ranking is Snacklicious—the lowest in his class. But he is determined not to let any of this hold him back as he embarks on the most important day of his life: before his high school graduation, he must ask a female dragon to be his queen. If she says yes, they'll go off to conquer a foreign planet together. If she says no, Gork becomes a slave.

Vying with Jocks, Nerds, Mutants, and Multi-Dimensioners to find his mate, Gork encounters an unforgettable cast of friends and foes, including Dr. Terrible, the mad scientist; Fribby, a robot dragon obsessed with death; and Metheldra, a healer specializing in acupuncture with swords. But finally it is Gork's biggest perceived weakness, his huge heart, that will guide him through his epic quest and help him reach his ultimate destination: planet Earth.

A love story, a fantasy, and a coming-of-age story, *Gork the Teenage Dragon* is a wildly comic, beautifully imagined, and deeply heartfelt debut novel that shows us just how human a dragon can be.
