When Highland patriot Connor Fraser comes to her aid, his steadfast dedication to king and country is challenged by his overwhelming desire to protect Cailin-even if he must marry her to do so. Accused of murdering one of her attackers and determined to rely on her own resourcefulness, Cailin dresses as a lad, intent on seeking refuge at the camp of Robert the Bruce. Can she elude an enemy from her past-a vindictive English lord bent on her utter demise-or will she fall prey to his carnal intent and be executed for a crime she did not commit?
