## **Hope for the Same-Sex Attracted: Biblical Direction for Friends, Family Members, and Those Struggling With Homosexuality Ron Citlau** **Helping the Same-Sex Attracted Faithfully Follow Jesus**

As Christians seek to be biblically faithful on the issue of homosexuality, two fundamental questions come to mind: *How can a person with same-sex attraction faithfully follow Jesus in his or her sexuality? And how can we support and encourage them in this?*

With compassion and wisdom--on a topic rife with misunderstanding and hurt--author and pastor Ron Citlau will help you think deeply and clearly about every option the Bible offers, and what it clearly does not. Having personally dealt with same-sex attraction, walked with others still struggling, and pastored those with gay loved ones, he thoroughly examines *all* of the available options--heterosexual marriage, singleness, celibacy, and more--and considers them in light of the Scriptures.

With clarity and grace, he helps you discover the remarkable gifts God provides to the Christian who struggles with same-sex attraction and desires to faithfully follow Jesus. Here is a message of hope and practical, loving guidance for those who are same-sex attracted--and those who love them.
