**Pirate Utopia** Bruce Sterling

Original introduction by Warren Ellis, author of *Transmetropolitan* and *Gun Machine*

Who are these bold rebels pillaging their European neighbors in the name of revolution? The Futurists! Utopian pirate warriors of the diminutive Regency of Carnaro, scourge of the Adriatic Sea. Mortal enemies of communists, capitalists, and even fascists (to whom they are not *entirely* unsympathetic).

The ambitious Soldier-Citizens of Carnaro are led by a brilliant and passionate coterie of the perhaps insane. Lorenzo Secondari, World War I veteran, engineering genius, and leader of Croatian raiders. Frau Piffer, Syndicalist manufacturer of torpedos at a factory run by and for women. The Ace of Hearts, a dashing Milanese aristocrat, spymaster, and tactical savant. And the Prophet, a seductive warrior-poet who leads via free love and military ruthlessness.

Fresh off of a worldwide demonstration of their might, can the Futurists engage the aid of sinister American traitors and establish world domination?
