Village: a novel

Stanley Crawford

Village: a novel Stanley Crawford

Set in the early 1990s, *Village* is a gentle, loving satire that explores a day in the life of the fictional Northern New Mexico village of San Marcos, through the points of view of a dozen colorful and eccentric characters: an aging *mayordomo*, the owners of the village store, the postmaster and his Spanish teacher wife, a teenager, two Anglo couples, a state water office attorney, a spinster weaver, a junkyard owner, a village tough, and the son of a funeral home owner. Besides the Hispanics and Anglos, the village itself, with its long history, is also a character, along with the timeless features, the fauna and flora, of the the narrow mountain valley on the eastern slopes of the Sangre de Cristo Range. Thoughtful, beautiful and nostalgic, *Village* evokes a vivid portrait of the human condition.

From reader reviews:

Theresa Pepper:

The feeling that you get from Village: a novel is the more deep you searching the information that hide within the words the more you get thinking about reading it. It does not mean that this book is hard to be aware of but Village: a novel giving you excitement feeling of reading. The writer conveys their point in selected way that can be understood through anyone who read that because the author of this publication is well-known enough. This particular book also makes your own personal vocabulary increase well. Making it easy to understand then can go along with you, both in printed or e-book style are available. We advise you for having that Village: a novel instantly.

Erma Ward:

Why? Because this Village: a novel is an unordinary book that the inside of the publication waiting for you to snap this but latter it will distress you with the secret the idea inside. Reading this book next to it was fantastic author who write the book in such amazing way makes the content on the inside easier to understand, entertaining means but still convey the meaning fully. So , it is good for you because of not hesitating having this ever again or you going to regret it. This book will give you a lot of positive aspects than the other book possess such as help improving your talent and your critical thinking approach. So , still want to delay having that book? If I ended up you I will go to the e-book store hurriedly.

Sarah Acres:

Reading can called head hangout, why? Because if you find yourself reading a book especially book entitled Village: a novel your thoughts will drift away trough every dimension, wandering in most aspect that maybe unfamiliar for but surely can be your mind friends. Imaging each word written in a guide then become one application form conclusion and explanation which maybe you never get prior to. The Village: a novel giving you an additional experience more than blown away your brain but also giving you useful information for your better life on this era. So now let us present to you the relaxing pattern at this point is your body and mind will likely be pleased when you are finished reading through it, like winning a sport. Do you want to try this extraordinary shelling out spare time activity?

Jeri McKeen:

Reading a book to be new life style in this calendar year; every people loves to study a book. When you go through a book you can get a large amount of benefit. When you read ebooks, you can improve your knowledge, because book has a lot of information in it. The information that you will get depend on what sorts of book that you have read. If you wish to get information about your research, you can read education books, but if you want to entertain yourself you are able to a fiction books, these kinds of us novel, comics, and soon. The Village: a novel provide you with new experience in reading a book.
