Virtually Yours: The Pin-Ups Vol. I vyktohria

Among one of the few female pin-up artists out there, vyktohria considers pin-up art as representing the embodiment of feminine sensuality and sexuality. In this first collection of digital erotic pin-up works, vyktohria uses a combination of 2D and 3D elements to capture the raw force of the female essence and channel it into a visual experience that is provocative, sexy and alluring. Her work ranges from the playful to the exotic, from the tame to the over-the-top.
