Your One-Stop Beginner's Guide to Weaving

If you are a beginner when it comes to weaving, then you have reached the perfect book to guide you through the learning process. The book is well- thought out and laid out that it is so easy for beginners to learn and follow the various techniques in weaving. Further, weaving is an age old practice with its specific jargons; you will also be guided through the various meanings of weaving words to help you understand the processes.

What are you going to get from this Weaving Made Easy: How to Weave for Beginners book? Here are the benefits that you will reap from reading this book:

- First and foremost, learning weaving is not just all about jumping right away into steps and processes. You will be guided on the various and important weaving jargon for easy transitioning.
- Then you will be treated to the various ways and techniques of weaving, just to give you a broad overview of what type of fabric you want to create after. Like, are you looking for something thick and sturdy or do you want something glossy and satin like? All this you can learn in this book.
- Then, of course a beginner's guide to weaving is never complete with a few examples of how to begin weaving. What I love about this book is that, you do not need to buy weaving machines right away. It teaches you how to make do-it-yourself looms just with the use of cheap materials or materials readily available in your home.
- There are over three ways of DIY weaving included in this book and for each weaving instruction you can spin it to make a variety of other items. For example, the steps and process for making glass coasters can be used to make doilies, belts, and even a purse.

So when it comes to a beginner's guide to weaving, look no further!
