It was Halloween in the land of the English. To Sarah Yoder, of the Amish community, the date had a different meaning. It was the eve of her wedding and time to spread her wedding quilt on the bed her and her fiancé John would share after they were married at noon on November first. As she readied her tiny cottage for her new life, a knock sounded. Opening the door, she found herself confronted by a demon in human flesh. The eve of Sarah Yoder's marriage suddenly turned into a fright night adventure into the land of the walking dead. Sarah's Amish fiancé brands her a witch and demands she burn her treasured, wedding quilt. He insists the hands of a witch have done the sewing and he will not sleep beneath it. A bride gets slapped and a groom gets dumped. One wedding quilt, and its magic, survives.
