Death Mask Kathryn Fox

When the victim of a violent gang rape accuses five premier sportsmen of being her attackers, she has no idea that her suffering has only just begun. It's a scandal that rocks a nation of sports fans. But, in spite of a huge amount of evidence, no one seems to believe the girl. So when Dr Anya Crichton, with her forensic and sexual assault expertise, is asked to get involved - albeit on behalf of the team managers - she knows she can't say no. But as she investigates further, she realises that the scandals, violence and abuses run much deeper, and much further into the past than she could ever have imagined.
