Dollars for Scholars, Dr. Irving A. Fradkin, with Michael J. Vieira, Branden Books, Paperback ISBN 9780828319744 \$19.95; E-Book ISBN 9780828319744, \$9.99 It all started when Dr. Fradkin received the first donation: "Here's a buck!" His organization, Citizens' Scholarship Foundation of America, however, took hold when another donor said, "Here's a million!" This book tells the story of Dr. Fradkin's crusade to raise money so that thousands of needy students would have access to institutions of higher learning through his scholarship grants. When people say, "only in America" they include the feats of Dr. Fradkin. He started with a dollar and grew it to tens of millions of dollars now administered by a national headquarters with hundreds of chapters located in every state, and counting benefactors by the tens of thousands. Dollars for Scholars is a tribute to Dr. Irving Fradkin whose vision and efforts have become emblematic in the concrete reality rooted in the phrase, "only in America."
