I Want You To Know Leslie Cottrell Simonds

Leslie shares the advantages of creating an end of life plan. This does not only mean planning for the things that you want to happen after you die, but planning for the things that you want to do or to happen even when you're still alive but is no longer capable of handling decisions on your own. "All we are doing throughout this book is projecting ahead to the days when we may not be able to speak for ourselves, when we may not be able to communicate. It's important that you have the opportunity to be comforted in the ways that work best for you. It truly is a loving act to share these ideas with those that will be looking after you." If you want to be able to say that you had a life well lived, then this is the right book for you!
