A superstitious girl must try to turn her horrible luck around during a family trip to Ireland in this M!X novel from the author of *Lost in London*.

Meghan McGlinchey is the most superstitious girl in her family—and probably in the entire state of Delaware. When she receives a chain letter from a stranger in Ireland, Meghan immediately passes it on, taking only a tiny shortcut in the directions.

But after a disastrous day, made complete by losing the election for class president and embarrassing herself in front of the entire school, Meghan realizes that tiny shortcut was a big mistake. Thankfully, her family was already headed to Ireland on spring break, and Meghan makes it her mission to find the original sender and break her extremely unlucky streak.

With the help of an eccentric cast of characters—and one very cute Irish boy—can Meghan figure out a way to stop her bad luck? Or is she cursed forever?
