Paul Chan: Selected Writings 2000-2014

Paul Chan

Paul Chan: Selected Writings 2000-2014 Paul Chan

The work of Paul Chan (born 1973) has charted a course in contemporary art as unpredictable and wide-ranging as the thinking that grounds his practice. *Paul Chan: Selected Writings 2000–2014* collects the critical essays and artist's texts that first appeared in *Artforum*, *October*, *Texte zur Kunst* and *Frieze*, among other publications, as well as previously unpublished speeches and language-based works. From the comedy of artistic freedom in Duchamp to the contradictions that bind aesthetics and politics, Chan's writings revel in the paradoxes that make the experience of art both vexing and pleasurable. He lays bare the ideas and personalities that motivate his work by reflecting on artists as diverse as Henry Darger, Chris Marker, Sigmar Polke and Paul Sharits, and grapples with writers and thinkers who have played decisive roles in his practice, including Theodor Adorno, Samuel Beckett and the Marquis de Sade.
