Real Time II (International Library of Philosophy)

D.H. Mellor

Real Time II (International Library of Philosophy) D.H. Mellor

Real Time II extends and evolves DH Mellor's classic exploration of the philosophy of time, *Real Time*. This new book answers such basic metaphysical questions about time as: how do past, present and future differ, how are time and space related, what is change, is time travel possible? His *Real Time* dominated the philosophy of time for fifteen years. *Real Time II* will do the same for the next twenty. GET /english/edu/Studying_at_SU/History_of_Literature.html HTTP/1.0
