**The Unique & Sundry: A Poetry Collection** Delaina J Miller

*The Unique & Sundry* is a collection of poems by poet Delaina J. Miller. The poems range in topics from the place she calls home to family and heartaches, to tributes of her heroes and those that inspire her.

Seven unique chapters explore the sundry moments of life and love. Each chapter is meant to inspire and lift the reader to new heights of understanding of our beautiful world.

Miller's clear and yet poignant style makes reading poetry a joyful experience where you catch a glimpse of her life and her view of life in everyday occurrences. Her subjects range from what she sees and hears on the outside as well as the deep dark corners of her psyche always exploring her world from both these angles.

When you are finished with this delightful slice of life, you will have a new view of your world too.

"*The Unique and Sundry* is a work forged by love and shaped on the anvil of a life courageously and honestly shared. Beg, borrow or buy the book, and run the risk that your faith in humanity may be restored."  
— Niall O'Connor

““Across white – the soul’s inkwell pours black and over borders flows” so – begins our journey into the magnificent collection that is *The Unique and Sundry*. Poet, Delaina J. Miller weaves words as though with filaments of gold - tributes to the greats and grands along with the clearly ordinary until the very essence of beingness shimmers as a celestially touched tapestry of hope, of light, of the very sense, to paraphrase Miller herself, of the ‘decanted soul.’” The poems reach in and grab in luscious handfuls the full breadth of life experience.” — Dr. Pearl Ketover Prilik

“Delaina is always close to nature in her words. There is a closeness and a sense of time passing through the seasons to emotions and sensations. I find her poems being at their best in the way they capture a scene and a feeling in just a fistful of words.” — Björn Rudberg
