Us: A User's Guide Dan Tocchini

Daniel Tocchini shows how some basic changes in marital "conversation"—the way couples talk to themselves and each other—can literally transform relationships.

Veteran marriage coach Daniel L. Tocchini doesn't want to improve marriages. He wants to transform them. Drawing on personal experience and stories from couples he has coached, he offers practical guidance to move couples beyond communication tricks and gimmicks to help them truly understand "Us" for the first time—talking honestly, listening generously, tackling tricky issues, breaking out of ruts, and abandoning self-centered "consumer thinking." Innovative, insightful, and thoroughly biblical, Tocchini's approach has helped thousands in his popular seminars. Whether a marriage is in deep trouble or just coasting along, it's time for Christian couples to read the User's Guide that God intended.
