****THIS VERSION IS OUT-OF-DATE. PLEASE LOOK FOR THE NEWER ONE****

Days after his murder, Chip grabbed his fiancé while she laid sleeping. "I'm not gone," he told her. "You can't see me, but I'm here. I'll never leave you. I promise." When Lyn Ragan started hearing from her deceased fiancé, she thought she was losing her mind. Not only had the love of her life been ripped away, she was also seeing dead people.

Chip's determination to communicate from the Afterworld keeps his fiancé focused on his new life instead of his physical murder. Guiding her through a twisting plot into the wonder of life beyond death, Chip teaches Lyn how to read the signs and messages he shares from the other side. As Intuitive, Megan Riley, points out in this book, Chip is a perfect model for those who pass from violence. They are still just as, if not more, full of love and possibility.

Filled with loss, grief, and otherworldly love, this true story will have you on the edge of your seat while questioning the nature of life after physical death. Chip's unforgettable visitations, creativity, and ability to report from beyond, is a made-to-order template for *proof of life* in the Hereafter.

"Death is not the end of who we are, my darlin'." Chip said. "Love can never die. The one Key to everything beautiful is--love. Our love lives forever."
