Albert Edition 1. Lani Yamamoto

Illustrated by Lani Yamamoto

Meet Albert, a little boy with big ideas and even bigger questions, such as, "If I am in my house, and my house is in the street, near the park, in the town..." What is the answer? The first in a three-book philosophy series, Albert is a disarmingly witty yet simple story that introduces the concept of infinity to young readers.

Author Lani Yamamoto studied psychology and comparative theology. She worked as a film editor in Boston and now lives in Reykjavik, Iceland, with her husband and children.
