This book describes the world famous Royal Dornoch Golf Club. When first published, we said, and rightly so, "This book is like no other." It combines distinctive and knowledgeable prose with stunning photography and unique hi-tech imagery to give the reader an unprecedented view of the course, how it was formed and how it plays. It is now not "like no other" as we have published a similar book on the Old Course at St. Andrews, and will be publishing one on the Championship Links at Carnoustie early in 2007.
