Open Championship Golf Courses of Britain

Keith Mackie

Open Championship Golf Courses of Britain Keith Mackie

Played in rotation on eight courses throughout Scotland and England, the Open Championship is the oldest golfing competition in the world. The courses embody tradition that dates back to the very beginning of the game itself.

It is still the ambition of most professional golfers to see their name inscribed upon the famous claret jug that bears the name of every winner since Young Tom Morris, the Champion of 1872.

Each of the courses is profiled in its own chapter, with the author describing both the history and development of the course itself and the highlights of Open Championships that have been played on its lush greens. New and vintage photographs nostalgically complement the text. Additional courses throughout England and Scotland are profiled. Among these is Prestwick, where the first eleven Opens were played. Other courses that no longer host the Open, but once did, are also featured.

ABOUT THE AUTHOR

Keith Mackie is the author of many previous books, including *Golf at St. Andrews*, his memorable portrait of the "home of golf," also published by Pelican.

From reader reviews:

Sandra Yunker:

Here thing why that Open Championship Golf Courses of Britain are different and trustworthy to be yours. First of all examining a book is good but it depends in the content of the usb ports which is the content is as yummy as food or not. Open Championship Golf Courses of Britain giving you information deeper and in different ways, you can find any reserve out there but there is no guide that similar with Open Championship Golf Courses of Britain. It gives you thrill studying journey, its open up your eyes about the thing which happened in the world which is might be can be happened around you. It is possible to bring everywhere like in recreation area, café, or even in your technique home by train. If you are having difficulties in bringing the published book maybe the form of Open Championship Golf Courses of Britain in e-book can be your alternative.

Bruce Parisien:

Information is provisions for people to get better life, information these days can get by anyone on everywhere. The information can be a understanding or any news even an issue. What people must be consider while those information which is inside the former life are challenging be find than now is taking seriously which one is suitable to believe or which one often the resource are convinced. If you receive the unstable resource then you have it as your main information we will see huge disadvantage for you. All those possibilities will not happen with you if you take Open Championship Golf Courses of Britain as your daily resource information.

Maritza Kress:

Your reading 6th sense will not betray you, why because this Open Championship Golf Courses of Britain reserve written by well-known writer we are excited for well how to make book which can be understand by anyone who have read the book. Written within good manner for you, dripping every ideas and composing skill only for eliminate your personal hunger then you still skepticism Open Championship Golf Courses of Britain as good book not only by the cover but also by content. This is one e-book that can break don't determine book by its deal with, so do you still needing one more sixth sense to pick that!?! Oh come on your examining sixth sense already said so why you have to listening to a different sixth sense.

Colton Fierros:

As we know that book is important thing to add our information for everything. By a reserve we can know everything we really wish for. A book is a list of written, printed, illustrated or maybe blank sheet. Every year seemed to be exactly added. This guide Open Championship Golf Courses of Britain was filled regarding science. Spend your free time to add your knowledge about your science competence. Some people has various feel when they reading a new book. If you know how big benefit of a book, you can truly feel enjoy to read a publication. In the modern era like at this point, many ways to get book that you simply wanted.
