Utilizing the Nursing Secrets Series' famous question-and-answer format for concise reading, this text is designed to be useful for both new and experienced nurses in the rehabilitation field. New graduates and novice nurses, as well as those nurses returning to rehabilitation practice will find this book especially helpful in learning the "pearls" or "secrets" of the field.

Divided into four easy-to-read sections, users will discover the foundations of rehabilitation nursing, approaches to improving outcomes, and the strategies for providing optimal care. In addition, there is an entire section completely devoted to health promotion that includes a cognitive assessment tool and management plan.

- 50 "Top Secrets" of rehabilitation nursing
- LOCFAS assessment and management tools in the appendix
- Valuable tips, pearls, and strategies that are proven to work
- Key Points boxes to emphasize the most important material
- Internet Resource boxes for further study and discovery
